How did you know because I've never told
But you found out I've got a crush on you
No more charades, my heart's been displayed
You found out I've got a crush on you

You must have heard it from my best friend
She's always talkin' when she should be listenin'
Can't keep a secret to save her life
But still I trusted her with all I felt inside

I never knew, a rumor could spread so fast
'Cause now the word is out all over town
That I'm longin' for you

How did you know, 'cause I've never told
You found out I've got a crush on you
No more charades, my heart's been displayed
You found out I've got a crush on you

Maybe I was the one who left the trace
Was there a message written on my face?
Were my emotion so easily read?
That you would know my love before a word was said

Was it my eyes that let you know you had control?
Because the way you move was so self assured
You knew I would surrender

How did you know, 'cause I've never told
You found out I've got a crush on you
No more charades, my heart's been displayed
You found out I've got a crush on you

How did you know, 'cause I've never told
You found out I've got a crush on you
No more charades, my heart's been displayed
You found out I've got a crush on you

You found out I've got a crush on you
You found out I've got a crush on you
You found out I've got a crush on you
You found out I've got a crush on you

You found out I've got a crush on you
Crush on you, crush on you
Crush on you, crush on you
