(I leave 'em froze like heroin in your nose) - Nas

[ VERSE 1 ]

Never underestimate the Real Live  
The gun-slinging, fat mack, a sick type of fuck, who  
dat?  
I left blood stain in every spot that I rock  
I'm representin Jersey, spittin rhymes like a Glock  
Into the Cape Fear MC's be shell-shocked  
I got the stash in my dash with the stock and the oo-  
wop  
Who the gun abuser, who the stupid hooker user?  
The pimp with the blow, countin bank in the Land  
Cruiser  
I get a charge from a sound of the bust  
I was made to crush, I'm wettin rappers til they rust  
Plus my regiment is elite, mega deep  
20 steep we creep in a five car fleet  
That's how I'm bouncin for the nine-fifth, son  
We don't promote no masquerade cos we was players  
from day one  
We start trends, we make hits  
K-Def and Larry-O be on some Real Live Shit

(I leave 'em froze like heroin in your nose)  
K-Def and Larry-O be on some Real Live Shit

[ VERSE 2 ]

Smoke-tinted windows cos I'm movin with heat  
I got a mean-ass broad in my shotgun seat  
You can get buck any day of the week  
That nigga Larry O be makin rappers retreat  
You know in life I fail, jake is on my tail  
I blew up your block, I let it haze like black hail  
I use a M16 to blast clowns off the planet  
In cold blood, my heart is made of granite  
My counterpart the K to the Def  
Wicked beat-maker, mass murderer with his left  
We got the whole game locked, so  
Beats on hold like a pimp on a stroll  
I'm bustin caps at the sugar coated rap, yo

This is a lyrical terrorist manifesto  
Sipping the Remy, gettin lit, I'm hit  
Ignite a fat spliff, I'm on some Real Live Shit

(I leave 'em froze like heroin in your nose)  
K-Def and Larry-O be on some
