Once in your life you find what you're looking for  
A feeling you can't ignore, so right

Welcome to love, welcome to paradise  
Isn't it very nice, alright

Bridge:  
Even though your havin' your doubts  
We can still work it out  
Sometimes it's easy, sometimes it's not  
But it's still worth a shot

Chorus:  
Don't Walk Away  
Listen to your heart  
Hear what it says  
Cause your heart won't lie

Tears in your eyes, frozen upon your face  
Memories we can't replace, disappear

Nowhere to run, this time there's no place to hide  
You're runnin' but your hands are tied, by fear

(Bridge)

(Chorus)

(Repeat)
