DANGER DANGER - Feels Like Love {B. Ravel, S. West}

So many nights I sit and wonder
Why do I feel the way I do
Maybe my heart is tryingÂ' to tell me ... somethinÂ'
Maybe IÂ'm fallin in love with you

Bridge:

Girl your voice is keepinÂ' me up all nite
You got me tossing and turning
When we touch, Baby, it feels so right
Like startinÂ' all over again

Chorus:

This time it Feels Like Love
So strong, one in a million
This time it Feels Like Love to me
They say that love donÂ't last forever
Well IÂ'd be the last to disagree
Sometimes you win, sometimes you lose
ItÂ's such a touchy thing
But we got a love thatÂ's meant to be

(Bridge)

(Chorus)

Sometimes it hurts like hell
Sometimes you just canÂ't tell
This time it feels like love to me

For once in my life IÂ'm sure of where I wanna be
IÂ'm takin my eye off the door
Cause I found love and loveÂ's found me

(Chorus)
