DANGER DANGER - Revolve 2009  
Killin Love (Lyrics)

Why does it always have to end this way?  
Trapped in a room with nothing left to say  
Thought we were bullet proof, so we closed our eyes  
We couldn't see the truth until we lost the prize  
And as the devil danced around our fragile hearts  
In between the sheets he was tearing us apart

CHORUS

Killing Love  
That's what we doing every time we touch  
We're killing love  
Blood to blood  
We made a promise but it's not enough  
We're killing love  
END CHORUS

Now as we fade into the long goodnight  
Call for the priest to give our last rights  
And say a prayer for us, absolve us of our sins  
There'll be no resurrection this is where it ends  
Don't need no tarot cards or rosaries  
I'll tell you these broken hearts will forever rest in  
peace

CHORUS

Killing Love  
That's what we doing every time we touch  
We're killing love  
Blood to blood  
We made a promise but it's not enough  
We're killing love  
END CHORUS

Who's going to save us from this heart break suicide?  
Love is a bitter pill and tastes like cyanide

GUITAR SOLO

Killing Love

That's what we doing every time we touch  
We're killing love.....  
Killing Love!!

CHORUS REPEAT

One by one  
Carving nails into the coffin until the day is done.....
