She looked so sweet in her hi-heeled shoes
She really knocked me out
I knew exactly what she wanted to do
There wasn't any doubt

She looked at me
With a spark in her eye and she said
C'mon baby we could have a good time
So I

Slipped her the big one
I really knocked her out
Slipped her the big one
I really knocked her out

She moved so fast it was quite a surprise
I didn't need a shove
It felt so good when she took me inside
She fit me like a glove - all the way around

One for the money
Two for the show
I made her an offer and she couldn't say no
When I

Slipped her the big one

She really knocked me out
Slipped her the big one
She really knocked me out
Slip slip
Slipped her the big one
Slip slip

One for the money
Two for the show
I made her an offer and she couldn't say no

Slipped her the big one
I really knocked her out
Slipped her the big one
I really knocked her out

Slipped her the big one
She really knocked me out
Slipped her the big one

A little in 'n' out, in 'n' out, in and out

Slip slip
slipped her the big one
Slip slip
Slipped her the big one
Slip slip
Slipped her the big one
Slip slip
Slipped her the big one
