DANGER DANGER - Revolve 2009
That's what I'm talking about (Lyrics)

It's been a long time coming, but I'm rocking again
Gonna hit the ground running, like nothing's changed
Hey man, there's trouble up ahead
Hey man, did you hear what I said
You're either with me or you in my way...
So if you're with me let me hear you say...

CHORUS

Yeah, that's what I'm talking about!
Let me hear you scream!
I wanna hear you shout!
Make some noise!
Let it out!
Come on I wanna hear you get loud!
That's what I'm talking about...
END CHORUS

If you're looking for a showdown, then you're in the
right place
I ain't never gonna back down
Take a look at my face
Hey man, here's where the talking ends
Hey man, don't let me say it again....
You're either with me or you're in my way
So if you're with me let me hear you say

CHORUS

Yeah, that's what I'm talking about!
Let me hear you scream!
I wanna hear you shout!
Make some noise!
Let it out!
Come on I wanna hear you get loud!
That's what I'm talking about...
END CHORUS

Ready or not you only get one shot
So you better be ready, are you ready?

CHORUS REPEAT
