The battle is over we've won the war  
By evil no longer abide  
Remember The Lamb, The Life Covenant  
As you're strapping a sword to your side

Slay The Oppressor  
We must stand against the Legions of Hell  
Slay The Oppressor  
We must not be victims to his...

... evil plots against man  
Scouring with hate  
Knows the Lord  
That they'll soon be destroyed!

"Satan will be set free  
To deceive the nations of the world  
He will bring them together for battle  
And surround the City of God  
Fire came down from Heaven  
And destroyed them  
Satan was cast into the Lake of Fire  
Tormented forever"
