"Then I saw a new heaven and a new earth,
For the first heaven and earth had passed away."

Fantasy World

The land of dreams and wishes

Fantasy World

Where I feel in control

I drink from a river of lava

I fly in a mountain of stone

Fantasy World

I get what I desire

Fantasy World

Where you return my love

And my powerful muscles protect you

From the monsters you fear in your soul

And no-one is lonely there

No-one is homely there

I won't be comin' back home

I'm on my way, I'm on my way

I'm on my way, I'm on my way

I'm on my way, I'm on my way

Why would I ever go home

Fantasy World

Where time has little meaning

Fantasy World

Where everyone stays young

You can choose an event in your lifetime

And do it all over again

Fantasy World

Is always filled with laughter

Fantasy World

Is happy ever after

We'll live by the sea in a castle

A fortress of brilliance and love

No-one is lonely there

No-one is homely there

No-one would ever go home

I'm on my way, I'm on my way

I'm on my way, I'm on my way

I'm on my way, I'm on my way

Why would I ever go home
