I've known about you for a while now  
When he leaves me, he wears a smile  
Now as soon as he's away from me  
In your arms is where he wants to be

But you're the one he rushes home to  
You're the one he gave his name to  
I never see his face in the early morning light  
You have his mornings his daytimes and sometimes I  
have his nights

But does he love you? Does he love you  
Like he loves me, like he loves me?  
Does he think of you? Does he think of you  
When he's holding me?

And does he whisper? Does he whisper  
All his fantasies?  
Does he love you? Does he love you  
Like he's been loving me?

But when he's with me he says he needs me  
And that he wants me, that he believes in me  
And when I'm in his arms, oh he swears there's no one  
else  
Is he deceiving me or am I deceiving myself? Am I  
deceiving myself?

But does he love you? Does he love you  
Like he loves me, like he loves me?  
Does he think of you? Does he think of you  
When he's holding me?

And does he whisper? Does he whisper  
All his fantasies?  
Does he love you? Does he love you  
Like he's been loving me?

Ohh, shouldn't I lose my temper?  
Ohh, and shouldn't I be ashamed?  
'Cos I have everything to lose  
And I, I have nothing to gain

Ohh, does he love you? Does he love you  
Like he loves me, like he loves me?  
Does he think of you? Does he think of you  
When he's holding me?

Yeah, does he whisper? Does he whisper  
All his fantasies?  
Does he love you? Does he love you  
Like he's been loving me?

Ohh, does he love you?
