Funny you can hold it in your hand
And never know cuz you're afraid to play
And you can't feel your dreams
Softly slipping through your fingers
Til they're so far away

Sitting there surrounded by your many
life's possessions
Feeling so much more than all alone
You realized you've learned one more
of living's many lessons
Love's worth more than all you'll ever own

Mmmm, what I'd give
If you were here beside me
We could spend forever here alone
Oh what I'd give, what would I give
For just that moment
Just everything I'll ever own

Funny when I really had it all
I never knew
Cuz I just couldn't see
The wealth I'd hope to find
Couldn't even hold a candle
To the love you've given me

I've taken love for granted
And I've taken love for pleasure
Never taken time to understand
Now I know that lovin' you
Has been my greatest treasure
And I let it slip right through
My hands

Ooh, what I'd give
If you were here beside me
We could spend forever here alone
Oh what I'd give, what would I give
For just that moment Just everything I'll ever own
