Do you hold her all night long
Do you sing her our love song
Do you kiss her lips
Until love makes her weak
Oh darlin

Do you promise her the moon
Does she think loves comin soon
Does she know each move
Is made from memory
Oh darlin

Everytime you touch her
Everytime you touch her
Think of me

When she reaches out for you
The same way my arms do
Does she know the truth
Your love belongs to me
Oh baby

Do you wonder in the dark
If she sees into your heart
Do you close your eyes
So she will never see
Oh baby

Everytime you touch her
Everytime you touch her
Think of me

Nights were never made
To spend alone
I can wish you love
But I can't wish you gone

Do you hold all night long
Do you sing her our love song
Do you kiss her lips
Until love makes her weak

Oh darlin'
Everytime you touch her
Everytime you touch her
Think of me
