All my life  
I've looked at love as a fairy tale  
A woman and man never never land  
In a story book ending  
The leading roles  
Of my heroes  
Upon the silver screen  
I played em all  
But always came up empty  
But one of these days  
I'll be in a movie with him

Cuz I believe that fantasy  
Is one step from reality  
For those of us  
Who dream of love  
And I believe  
Cuz I want to  
There's someone meant for someone who  
Believes enough to not give up  
Even though you've heard so many say  
That's the way the story goes

I'm looking for a new love story  
I'm looking for a yellow brick road  
That'll carry me to his door  
I'm looking for a new love story  
One that's never been told before

And I have searched the oceans  
Of many a man's eyes  
But I have yet to feel like more  
Than some deserted island  
I know a relationship  
Will come for me in time  
And I can't wait to see his face  
On my horizon  
Cuz one of these days  
He'll sail into my life

Cuz I believe that fantasy....
