Well there's rumors flyin round  
On the nosy side of town  
That I have gone and found somebody new  
Well there oughta be a law  
Against the way some people talk  
I guess sometimes it's all they have to do

Oh there ain't no such thing  
As me not lovin you  
Honey there ain't no such thing  
As me not bein true  
So believe your heart  
And not your ears  
Your heart knows what is true  
There ain't no such thing  
As me not lovin you

Well a love like yours and mine  
Has gotta deal with the jealous kind  
But I don't mind  
There's nothin I can do  
Cuz their words can do no harm  
With you here in my arms  
So they can talk until they all  
Turn blue

Oh there ain't no such thing....
