Funny how love comes and goes  
With the tears that fill my life  
Does it show  
So listen to my heartbeat once again  
Because of you  
I hope this feelin never ends

Silly me  
I fell in love again  
We started out as friends  
You think I would have learned  
From the hurt before  
Foolish me  
Should I have closed the door  
Promised even swore  
To never love this way  
Oh foolish me

They say that love's a chance you take  
You know I've had my share  
But when the nights get ooh so cold  
I need you there

They say that love's a chance you take  
You know I've had my share  
But when the nights get ooh so cold  
I need you there

Silly me  
I fell in love again  
We started out as friends  
You think I would have learned  
Oh foolish me  
Silly me
