Oh, youve sold me you hold me  
Youve told me I'll be getting all your love  
You can go wrong  
If you hold on for so long  
Just because you hate to give up  
Do I love you ooh ooh Im afraid I do  
Do you love me, once upon a time  
I was sure I knew

Chorus:

I don't like what I been thinkin  
If it's true, oh you know Im a fool  
Face to face you promise me forever  
But the rings still sittin in a store downtown  
And Im still sittin here  
Waitin for the deal to go down

I get lonely and lonely is only  
The hardest way to spend the night  
Then you call me  
You call me and stall me  
And swear you're gonna make it right  
So I hang on  
Oh that's just the way things are  
But the pay off I been waitin for  
Just might break my heart

Repeat chorus

Bridge:

Is there someone out there I don't know about  
Convince me babe beyond the shadow of a doubt

I don't like what I been thinkin  
If it's true, oh you know Im a fool  
Face to face you promise me forever  
But the rings still sittin in a store downtown  
And Im still sittin here  
Waitin for the deal to go down
