(clint ballard, jr.)

Feelin better  
Now that were through  
Feelin better  
Cause Im over you  
I learned my lesson  
It left a scar  
But now I see  
How you really are

Chorus:

Youre no good, you're no good  
Youre no good...baby you're no good  
Im gonna say it again  
Youre no good, you're no good  
Youre no good...baby you're no good

Broke a heart  
Gentle and true  
Left a man  
Over someone like you  
Ill beg his forgiveness  
On bended knee  
But I wouldn't blame him  
If he said to me

Repeat chorus

Im tellin you now baby  
That Im going my way  
Forget about you baby  
Cause Im leaving today
