Do you hold her all night long?  
Do you sing her our love song?  
Do you kiss her lips  
Until love makes her weak?  
Oh darlin'

Do you promise her the moon?  
Does she think love's comin' soon?  
Does she know each move  
Is made from memory?  
Oh darlin'

Everytime you touch her  
(Every time)  
Everytime you touch her  
Think of me

When she reaches out for you  
The same way my arms do  
Does she know the truth  
Your love belongs to me?  
Oh baby

Do you wander in the dark  
(Do you wander?)  
If she sees into your heart  
Do you close your eyes ?  
So she will never see  
Oh baby

Everytime you touch her  
(Everytime)  
Everytime you touch her  
Think of me

Nights were never  
(Nights)  
Made to spend alone  
I can wish you love  
(I)  
But I can't wish you gone

Do you hold her all night long?  
(Do you hold her?)  
Do you sing her our love song?  
Do you kiss her lips  
Until love makes her weak?  
Oh darlin'

Everytime you touch her  
(Everytime)  
Everytime you touch her  
Think of me
