(feat. Rascal Flatts)

[Reba:]

We felt this coming on  
We've seen it for a while  
But there are no regrets between us  
We can leave here with a smile  
We have to talk about it  
What we've always known  
The hardest part about today  
Is tonight we'll be alone  
Alone

[Chorus:]

We were just two hearts  
Bound for different roads  
Oh why they didn't lead us to forever  
We may never know  
[Reba:] oh I will carry you with me  
[Gary:] I will hold on to our memories  
[Reba:] don't let the dreams we didn't find  
[Together:] make you feel like giving up  
[Reba:] keep holding on and  
[Together:] don't lose your faith in love

[Gary:]

Life's gonna move on  
And the pages start to turn  
We'll be stronger people now  
From the lessons that we've learned  
This one's gonna hurt  
It's a little deeper break  
But just know I'm praying for you  
As I watch you walk away

[Chorus:]

We were just two hearts  
Bound for different road  
Why they didn't lead us to forever  
We may never know  
[Reba:] oh I will carry you with me  
[Gary:] I will hold on to our memories

[Reba:] don't let the dreams we didn't find  
[Together:] make you feel like giving up  
[Gary:] keep holding on and  
[Together:] don't lose your faith  
[Gary:] in love

[Reba:] it can hold you, it can save you  
[Gary:] from anything or anyone  
[Reba:] heaven knows who's waiting for you  
[Gary:] when two hearts come undone

[Bridge:]  
[Reba:] oh I will carry you with me  
[Gary:] I will hold on to our memories  
[Together:] don't let the dreams we didn't find  
Make you feel like giving up  
[Gary:] keep holding on and  
Don't lose your faith  
[Reba:] oh never ever lose your faith

[Together:] in love

[Reba:] don't ever lose your faith
