On a park bench in the middle of July we sat and
watched the children play,
If it was the heat or the noise, we didn't have too much
to say.
Then with a move of his eyes, a move that would have
made the moon stand still,
He took my hand in his and said the words that I never
will forget.

He said "Have you ever cheated on me, has there been
someone else?
Is there someone you love more than me, someone you
can't forget.
Get his memory in the open again, let it be chased
away by time".
He said "Have you ever cheated on me?" I said "Only in
my mind".

How can I tell him the time we spend together is time
between friends ?
There's just somethings I can talk about with you, that I
just can't say to him.
How can I tell him that somewhere in the cards it was
meant for us to meet ?
Am I blushing in front of him now, is it you or the heat ?

He said "Have you ever cheated on me, has there been
someone else?
Is there someone you love more than me, someone you
can't forget.
Get his memory in the open again, let it be chased
away by time".
He said "Have you ever cheated on me?" I said "Only in
my mind".
"Darlin' have you ever cheated on me ?" I said "Only in
my mind".
