She came in lookin' good and lookin' around  
She's checkin' out every man in the room right now  
Don't go tellin' her about right or wrong she's been  
alone way too long  
Oh the heart is a lonely hunter with only one desire  
To find some lastin' comfort in the arms of a lover's  
fire  
Driven by a desperate hunger to the dark of the neon  
light  
Oh the heart is a lonely hunter when there's no sign of  
love in sight  
[ guitar ]  
She hears him say hey can I buy you a drink  
And sees the pale white circle where he wears his ring  
She knows he's dealin' her a dangerous hand the  
consequences of a one night stand  
But the heart is a lonely hunter...  
From somewhere deep inside she tells him no before  
she starts to cry she turns to go  
Oh the heart is a lonely hunter...  
Oh the heart is a lonely hunter when there's no sign of  
love in sight
