In the eyes of the world he's only an ordinary man
But there's a million and one things the eyes of the
world never see
He may walk the same
He may talk the same
As a million others do
Oh but you'd see him as I do if his heart had eyes for
you

He's only everything
Only everything
He's as real as the thrill I feel
When he walks through my dreams
He's the one I hold
When my world grows cold
And needs a touch of spring
Or a song to sing
Yes in these eyes of mine
Lord he's only everything

He's only everything
Only everything
He's as real as the thrill I feel
When he walks through my dreams
He's the one I hold
When my world grows cold
And needs a touch of spring
Or a song to sing
Yes in these eyes of mine
Lord he's only everything

Yes in these eyes of mine
Lord he's only everything
