Hold on  
'Cause this feels just like a first love  
There's no way to rehearse love  
We'll just learn as we go  
I know you can see it in my eyes  
I've been looking in your eyes  
The feelin' is startin' to grow

Hold on  
Love can take us up so high  
But it can take us down so low  
You either laugh or you cry  
Hold on  
'Cause love's a chance that we're taking  
And I don't think we're mistaking  
We'll never know till we try

Hold on  
'Cause here comes all the conversations  
The painful midnight confessions  
That leave you feelin' so sad  
I know we can make it forever  
If we just face it together  
Take the good with the bad

Hold on  
Love can take us up so high  
But it can take us down so low  
You either laugh or you cry  
Hold on  
'Cause love's a chance that we're taking  
And I don't think we're mistaking  
We'll never know till we try

Hold on  
Love can take us up so high  
But it can take us down so low  
You either laugh or you cry  
Hold on  
'Cause love's a chance that we're taking  
And I don't think we're mistaking  
We'll never know till we try
