How did it happen?
When did we lose it?
The love we looked for so long

I'm sorry that I called you
But it's the first night you see
How does it feel to be free?

How does it feel now?
To reach out for someone
And find there's nobody there

Is it weighing on you
'Cause it sure killing me
Tell me how does it feel to be free?

Funny how love is so hard to find
And yet so easy to lose
Maybe in time this old heart of mine
Can learn to be free without you

How did it happen?
When did we lose it?
The love we looked for so long

I'm sorry that I called you
But I just have to see
How does it feel to be free?

I'm sorry that I called you
But it's the first night you see
Now how does it feel to be free?
