Love takes the patience of "Job",
That's what my mama always said
Faith is the belief in somethin'
More than what you know,
That's what the 'good book' says

You got to play the cards you got,
Who knows what they is holdin'
At times you got to go without
Knowin' where you're goin'

That's why I keep lovin' you
I keep lovin' you
Thru the "baby don't leave mes" n
"never will agains" n "I promise to's"
I keep on lovin' you

Lord knows we had our share of fights,
Our sleepless nights, our ups n downs
We had plenty n then some
Of "baby I'm gones" n "turn arounds"
Sometime I swear,
It might be easier to throw in the towel
Some day we're gonna look back n say,
"Look at us now"

That's why I keep on lovin' you
I keep lovin' you
Thru the "baby don't leave mes" n
"never will agains" n "I promise to's"

I keep on lovin' you
Keep on lovin' you
Thru the "I take it backs",
"I didn't mean it like that's",
"I'd never hurt yous"
Oh I keep on lovin' you

(Instrumental to outro)

Oohh I keep on lovin' you
Oohh I keep on lovin' you

Thru the "baby don't leave mes" n
"never will agains" n "I promise to's"
Oohh I keep on lovin' you
Oohh I keep on lovin' you
Thru the "I take it backs",
"I didn't mean it like that",
"I'd never hurt you"
Oh I keep on lovin' you
I keep on lovin' you
I keep on lovin' you
