(a duet with reba mcentire)
(mark d. sanders, tim nichols)

Linda:

You jet from coast to coast
Dressed in designer clothes
When you appear somewhere
Your chauffeur drives you there
I wouldn't think twice
If I could live your life

Reba:

You see your friends at the store
Your sister lives next door
You kiss your babies goodnight
Your husband's there at your side
I'd love to give it a try
If I could live your life

Chorus:

Both:
If I could trade places with you

Linda:

Hear the roar of the crowd

Reba:

And the church bells in a quiet town

Both:

Just for one moment in time

I wonder what this world would be like
If I could live your life

Linda:

Saw your picture in "people" today

Reba:

And I see you're in the pta

Linda:
You're living everyone's dream

Reba:
It isn't all that it seems

Both:
Wouldn't it be nice
If I could live your life

Repeat chorus
(reba only sings last line "if I could live your life")

Linda:
If I could live your life

Both:
If I could live your life
