If you see him, tell him I wish him well  
How am I doin'?  
Well, sometimes it's hard to tell  
I still miss you more than ever  
But please don't say a word  
If you see him, oh, if you see him

If you see her, tell her I'm doin' fine  
And if you want to  
Say that I think of her from time to time  
Ask her if she ever wonders  
Where we both went wrong  
If you see her, if you see her

Oh, I still want her, and I still need him so  
Oh, I don't know why we let each other go

If you see her, tell her the light's still on for her  
Nothing's changed, deep down, the fire still burns for  
him

And even if it takes forever, say I'll still be here  
If you see him, if you see her  
If you see him, if you see her
