If you see him, tell him I wish him well. how am I doing?
well sometimes

It's hard to tell. I still miss him more than ever. but
please don't say a word.
If you see him. if you see him.

If you see her, tell her I'm doing fine. and if you want
to, say that I think
Of her from time to time. ask her if she ever wonders
where we both went wrong.
If you see her. if you see her. I still want her.

And I still need him so.

I don't know why we let each other go.

If you see her, tell her the light's still on for her.

Nothing's changed deep down the fire still burns for
him. and even if
It takes forever, say I'll still be here. if you see him.

If you see her.

If you see him.

If you see her.
