Well, I'm flyin' out of Tulsa
Tryin' to get out to the coast
Missin' my connections
But it's you I miss the most

And I'm in love all over
(I'm in love all over)
I'm in love all over
(I'm in love all over)
Well, I'm in love all over
Everywhere I go

Well, my heart feels like burstin'
When you walk into the room
My lips just start thirstin'
For another kiss from you

I'm in love all over
(I'm in love all over)
Yes, I'm in love all over
(Yes, I'm in love all over)
I'm in love all over
From my head down to my shoes

In search of true affection
I found a new direction
And that's straight to you
Oh, I use to like to play around
But I can see that's all over now

Oh, my friends sure like to gossip
Think they know the gospel truth
Words leak like a faucet
When it comes to me and you

I'm in love all over
(I'm in love all over)
Oh, I'm in love all over
(Oh, I'm in love all over)
Yes, I'm in love all over
Everywhere I go

I'm in love all over
From my head down to toes
I'm in love all over
Everybody knows about me and you

In search of true affection
I found a new direction
That's straight to you
And I use to like to play around
But I can see that's all over now

Oh, my friends sure like to gossip
Think they know the gospel truth
Words leak like a faucet
When it comes to me and you

I'm in love all over
(I'm in love all over)
Yes, I'm in love all over
(Yes, I'm in love all over)
I'm in love all over
Everywhere I go

I'm in love all over
From my head down to toes
I'm in love all over
Everybody knows about me and you

Oh yes, they do
'Cause I'm in love all over
I'm in love all over
Yes, I'm in love all over
Yes, I'm in love all over
