Love takes the patience of Job
That's what my Mama always said
Faith is the belief in something more than what you
know
That's what the Good Book says
You gotta play the cards you got
Who knows what fate is holding
At times you gotta go without knowing where you're
going

That's why I keep on lovin' you
I keep on lovin' you
Through the baby don't leave mes
And never will agains
And I promise tos
I keep on lovin' you

Lord knows we've had our share of fights
Our sleepless nights, our ups and downs
We've had plenty and then some of baby I'm gones
and turnarounds
Sometimes I swear it might be easier to throw in the
towel
Someday we're gonna look back
Say look at us now

That's why I keep on lovin' you
I keep on lovin' you
Through the baby don't leave mes
And never will agains
And I promise tos
I keep on lovin' you

Keep on lovin' you
Through the I take it backs...I didn't mean it like thats
I'd never hurt you...Oh, I keep on lovin' you

I keep on lovin' you...I keep on lovin' you
Through the I take it backs...I didn't mean it like that
I'd never hurt you...Oh, I keep on lovin' you
I keep on lovin' you...I keep on lovin' you
