All my life I've looked at love as a fairy tale
A woman a man never never land and a storybook
ending
Leading roles and my heros upon the silver screen
I played em all but always came up empty
But one of these days I'll be in a movie with 'em

Cause I believe that fantasy
Is one step from reality
For those of us who dream of love
And I believe cause I want to
There's some one man for someone who believes in
love
To not give up
Even though you've heard so many say
That's the way the story goes

Chorus:
I'm lookin for a new love story
I'm lookin for a yellow brick road
That'll carry me to his door
I'm lookin for a new love story
Oh one that's never been told before

And I have searched the oceans of many a man's eyes
But I have yet to feel like more than some deserted
island
I know a relationship will come for me in time
And I can't wait to see his face on my horizon
Cause one of these days he'll sail into my life

Repeat Verse 2

Repeat Chorus
