He was on his way home from Candletop
Been two weeks gone, and he'd thought he'd stop
At Web's and have him drink 'fore he went home to her

Andy Wolloe said hello, and he said hi, what's doin'?
Wo said Sit down I got some bad news, and it's gonna hurt
He said I'm your best friend and you know that's right
But your young bride aint't home tonight
Since you been gone she's been seeing that Amos boy
Seth
Now he got mad and he saw red
Andy said boy don't lose your head
Cause to tell you the truth I've been with her myself

Chorus:

That's the night that the lights went out in Georgia
That's the night that they hung an innocent man
Well don't trust your soul to no back woods southern lawyer
Cause the judge in the town's got bloodstains on his hands

Well, Andy got scared and left the bar
Walking on home cause he didn't live far you see
Andy didn't have many friends, and he just lost him one

Brother thought his wife must've left town
So he went home and finally found the only thing
Daddy had left him and that was a gun
He went off to Andy's house
Slipping through the back woods quiet as a mouse
Came upon some tracks too small for Andy to make
He looked through the screen at the back porch door
And he saw Andy lying on the floor
In a puddle of blood
And he started to shake

The Georgia patrol wasn't making their rounds

So he fired a shot just to flag 'em down
A big bellied sheriff grabbed his gun and said
Why'd you do it

The judge said guilty in a make believe trial
Slapped the sheriff on the back with a smile and said
Supper's waiting at home and I got to get to it

Chorus:

That's the night that the lights went out in Georgia
That's the night that they hung an innocent man
Well don't trust your soul to no back woods southern
lawyer
Cause the judge in the town's got blood stains on his
hands

Well they hung my brother before I could say
The tracks he saw while on his way
To Andy's house and back that night were mine
And his cheatin wife had never left town
And that's one body that'll never be found
You see little sister don't miss when she aims her gun

Chorus:

That's the night that poop was on his hands
That's the night that they hung an innocent man
Don't trust your soul with no back woods southern
lawyer
Cause the judge in the town's got blood stains on his
hands

That's the night that the lights went out in Georgia
That's the night that they hung an innocent man
Don't trust your soul with no back woods southern
lawyer
Cause the judge in the town's got blood stains on his
hands
