Reba:  
When you just give love

Natalie:  
And never get love

Reba:  
You better let love be part

Natalie:  
I know that it's so  
And yeah I know

Reba:  
I can't get you out of my heart

Natalie:  
You, you, you, you, you, you  
You make me leave my happy home  
You took my love and now you're gone, gone, gone,  
gone, gone  
Since I fell for you  
Oh yeah

Reba:  
Oh love

Natalie:  
(sing reba)

Reba:  
Brings such misery and pain  
I guess I'll never  
Oh I guess I'll never be the same  
Since I fell for you

Natalie:  
(I gotta say this right here)  
Well, well it's too bad

Reba:  
Oh it's too bad

Natalie:  
Oh and it's too sad

Reba:  
Oh it's too sad

Natalie:  
But I'm in love, I'm in love with you

Natalie:  
Oh oh, you love me

Reba:  
Oh you loved me

Natalie:  
And then you snubbed me

Reba:

You bad boy

Natalie:  
Oh but what can I do  
I'm still in love with you

Reba:  
I, I guess I'll never see the light

Natalie:  
Never gonna see the light

Reba:  
I get the blues I get the blues most every night  
Since I fell for you

Natalie:  
Oh come on come on come on tell them about it

Reba:  
Oh it's too bad

Natalie:  
It's too bad

Reba:  
And it's too sad

Natalie:  
Oh it's much too sad

Reba:  
Cause I'm still in love with you

Reba:  
You loved me

Natalie:  
Oh you love me

Reba:  
Then you snubbed me

Natalie:  
Oh then you snubbed me baby

Reba:  
Oh what can I do  
I'm still in love with you

Reba:  
I, I guess I'll never see the light

Natalie:  
Never, never, never, never  
I get the blues most every single night  
Since i, since I fell, since I fell for you

Both:  
Since I fell for you
