People back home wouldn't know me now.

I was in the dark, had my head in the clouds.

Changing is hard, and surviving is tough.

It's amazing what it takes to wake you up.

I like some of the things about my new life,

Especially the part where I'm not your wife.

Here's to the new me.

I never thought I could feel so free.

I'll get over what you've done to me.

Say hi to the new me.

I was just saying!

People out here have a different idea,

The way I should talk and how I should live.

It wasn't my plan to start over again,

But I'm playing my cards the best I can.

I like some of the things about my new life,

Especially the part where I'm not your wife.

Here's to the new me.

I never thought I could feel so free.

Oh, I'll get over what you've done to me.

Say hi to the new me.

Yeah, that's right!

Here's to the new me.

I never thought I could feel so free.

Oh, I'll get over what you done to me

Say hi; say hi to the new me.

(Say hi!) I never thought I could feel so free (I could be so free!)

Oh, I'll get over what you've done to me.

Say hi to the new me.
