Oh, I've been standin' underneath  
A dark old cloud now  
Waitin' for the sun to shine  
Waitin' for the sun to shine  
On my heart again

Oh, I've been standin' underneath  
A dark old cloud now  
Waitin' for the sun to shine  
Waitin' for the sun to shine  
On my heart again

Oh, I've been throwin'  
A lot of good love away now  
Waitin' for the sun to shine  
Waitin' for the sun to shine  
On my heart again

Oh, I've been throwin'  
A lot of good love away now  
Waitin' for the sun to shine  
Waitin' for the sun to shine  
On my heart again

Waitin' for the sun to shine  
Waitin' for the sun to shine  
On my heart again

Waitin' for the sun to shine  
Waitin' for the sun to shine  
On my heart again

Oh, I've been standin' underneath  
A dark old cloud now  
Waitin' for the sun to shine  
Waitin' for the sun to shine  
On my heart again

Oh, I've been standin' underneath  
A dark old cloud now  
Waitin' for the sun to shine  
Waitin' for the sun to shine

On my heart again

Oh, I've been standin' underneath  
A dark old cloud
