* bonus track hidden after "The Mask"

[Brak]

Check me out

My name is Brak and that's a fact

I got a mom and a dad and they are out back

We sit by the pool and we nibble on snacks

Then we eat a big lunch and we all take naps!

Why'd the beat stop? Hey!

Heyyyyy... I got a mask too so gimme the mic!

[Zorak]

Cheh! You're no Doom

[Brak]

C'mon Danger Mouse, gimme that beat!

[Brak - singing Vicki Sue Robinson]

Turn the beat around! Love to hear per-cussion!

[Zorak]

You suck!

[Brak - still singing]

Turn it upside down! Love to hear it...

[Zorak]

I know talent, and you ain't got it

[Brak - angry]

I WASN'T DONE!
