(Tonight we're taking over)

You were always dancing with the stars
And sleepwalking through cemeteries saying
"catch me if you can"
There's no one there to save you,
No handsome gentleman.

Tonight we're taking over,
We'll become your heroes and the underdogs
Pros of con that make the young girls scream, (scream
a little louder now)
Tonight we're taking over,
We'll become your heroes and the underdogs
Doctors with the cure for your disease

You were always breaking young boys hearts,
Slip them tongue like slit their throats,
Come on and catch me if you can
There's no one there to save you,
No handsome gentleman.

Tonight we're taking over,
We'll become your heroes and the underdogs
Pros of con that make the young girls scream, (scream
a little louder now)
Tonight we're taking over,
We'll become your heroes and the underdogs
Doctors with the cure for your disease

Tonight we're taking over,
Tonight we're taking over,
Tonight we're taking over,
We'll become your heroes and the underdogs
Pros of con that make the young girls scream, (scream
a little louder now)
Tonight we're taking over,
We'll become your heroes and the underdogs
Doctors with the cure for your disease

Tonight we're taking over, (scream a little louder now)
