May God bless and keep you always
May your wishes all come true
May you always do for others
And let others do for you
May you build a ladder to the stars
Climb on every rung
May you stay forever young

[Chorus:]

Forever young, forever young
May you stay forever young

May you grow up to be righteous
May you grow t bo true
May you always know the truth
And see the lights surrounding you
May you always be courageous
Stand upright and be strong
May you stay forever young

[Chorus]

May your hands always be busy
May your feel always be swift
May you have a strong foundation
When the winds are changing shift
May your heart always be joyful
May your song always be sung
And may you stay forever young

[Chorus]
