[Spoken:]

Issac: Hey, baby

Rebbie: Hi, honey

Isaac: What'chu doin'?

Rebbie: Oh, I'm workin' hard

Isaac: You know what I was thinkin' about?

Rebbie: About me?

Isaac: You got it

You know what else I was thinkin' about?

Rebbie: A candlelight dinner

And a nice cold glass of wine

Isaac: Oooh, I can hardly wait

Tonight I'm yours

I been spendin' all my time

Here on the telephone line

Workin' from nine to five

Keepin' our love alive

Desperately wanting you

There's nothing I can do

Seems my day time

Has suddenly disappeared

[Chorus:]

Night time

I can take you in my arms

Fill you with all the charms

Tonight I'm yours

Darlin'

All through the night

I want you to hold me tight

'Cause tonight I'm yours

So mad in love with you

Just don't know what to do

Wonderin' to myself

Don't want nobody else

Now that the daytime is over

There's no need

To want any further

It's time

For our love to begin

Night time (night time)
I can take you in my arms
Fill you with all the charms
'Cause tonight I'm yours
Darlin' (Darlin')
All through the night
I want you to hold me tight
'Cause tonight I'm yours
Ooh, ooh, ooh

Don't you know
Tonight I'm yours?

[Spoken:]
(Don't you know tonight I'm yours?)
Rebbie: The days, they seem so long
Me wanting to hold you
(Ooh, ooh, ooh)
(Don't you know that tonight I'm yours?)
Isaac: I can never, never get enough
Of your sweet, sweet lovin'

Night time
I can take you in my arms
Fill you with all the charms
'Cause tonight I'm yours
Darlin'
All through the night
I want you to hold me tight
'Cause tonight I'm yours
Ooh, ooh, ooh

(Yeah, yeah, yeah, yeah, yeah, yeah)
Isaac: Ooh, baby
Rebbie: Baby
Isaac: Don't you know
Tonight I'm yours?

(Yeah, yeah, yeah, yeah, yeah, yeah)
Rebbie: Tonight I'm yours, baby
Tonight I'm yours
