High above the mountains
Close to the sun
Touching the stars
That's where I belong
Drifting in the moonlight
Passing through the clouds
That's where I belong

I wanna fly, fly high in the sky
Fly like an eagle
See the world from above
And never come down
I wanna fly, fly high in the sky
Hear the rhythm
Of the wind calling out my name
I wanna be free

Free like a bird in the sky
I wanna be free
Learnig how to fly, to fly

I wanna fly, fly high in the sky
Fly like an eagle
See the world from above
And never come down
I wanna fly, fly high in the sky
Hear the rhythm
Of the wind calling out my name
I wanna be free

I hear the sound of angels
Like an ocean wave
Tearing through the universe
Showing me the way, the way

I wanna fly, fly high in the sky
Fly like an eagle
See the world from above
And never come down
I wanna fly, fly high in the sky
Hear the rhythm
Of the wind calling out my name

I wanna be free

I wanna be free

I wanna be free
