There is something in your eyes
That I have never seen before
Something that takes my breath away (mm)
And I never ever felt
Never felt this way before
Feels like forever starts today (mm)
I never knew
Heaven was inside of you

I can see heaven in your eyes
Heaven in your eyes
Every time you look at me
It feels I got heaven in my heart
Heaven in my heart
Love is in disguise
Cause I see heaven in your eyes

I didn't know what I could find
Untill you came into my life
I didn't know what I was looking for
I never knew heaven was inside of you

I can see heaven in your eyes
Heaven in your eyes
Every time you look at me
It feels I got heaven in my heart
Heaven in my heart
Love is in disguise
Cause I see heaven in your eyes

You make my dream come true
You're everything to me
You are the one I love
Into eternity
I see

Heaven in your eyes
Heaven in your eyes
Every time you look at me
It feels I got heaven in my heart
Heaven in my heart
Love is in disguise

Cause I see heaven in your eyes
