Why do I need you to tell me who I am
It shouldn't be so hard
To know myself at least a little
Why do I feel like I'm falling apart
When you tell me who I am

Never thought I could feel like this
The way you make me feel
Never thought I could find a place
Where the feelings are real
Never thought I would miss so much
The touch of your hand
Oh, why did I let you go

Why do I need you to tell me who I am
It shouldn't be so hard
To know myself at least a little
Why do I feel like I'm falling apart
When you hold me
When you touch me
When you tell me who I am

Looking back on the times we had
And the moments we shared
All the things that we used to do
All the things that we said
Now it's gone and I feel alone
I don't know what to do
Oh, why did I let you go

Why do I need you to tell me who I am
It shouldn't be so hard
To know myself at least a little
Why do I feel like I'm falling apart
When you hold me
When you touch me
When you tell me who I am

Why do I feel like I'm falling apart
When you hold me
When you touch me
When you tell me who I am

When you tell me who I am
