There's only one way to settle this, we're gonna play
worms Armageddon

Oh you're gonna pay for taking the piss out of my
mum

Here comes the buffalo of lies, I'll spray that
blowtorch in your eyes

I'm gonna make your worms scream and cry for that
comment you made last night

Ooh I don't really the vibe of these cartoon graphics
and the fake aquatics

Ooh I don't really like the feel of this bubbly rubble
and this plastic trouble

This is the best way to settle this, with a round of
worms Armageddon

Oh you're gonna pay for making a pass at my
boyfriend

So here comes my expertise in physics in your face
man

the bazooka will hit it I'm gonna make your worms shit
a brick for how sly you were last night

Ooh I don't really like the way I'm always blowing
myself up when I wanna be on top

Ooh I don't really like the style of your victory
dances and your smug old glances

Get your lob on

Cheeky flocker

Oldest swinger in town

Fast, pink and hard

Hallelujah
