Baby, do you mind, may I come in
I'll be only a minute, yes please, I'll have some gin
Baby, do you mind, may I sit down?
Sure there's a reason, for me coming around
I just wanna get a clue, why I was so hung up on
you, Baby, do you mind

Baby, do you mind, This won't take long
You see I'm trying to figure out where we went wrong
I just wanna see what made me fall,
well I don't understand, if this was all
you had to give up charms and looks,
I should have stayed home with my books, Baby, do you
mind

solo

Baby, do you mind, no I can't stay
I made a big mistake, but that's OK
I guess I hoped to find the core
of why we failed, but Baby here's the score:
The only thing I came to find is that love can really
make you blind, Baby, do you mind
The only thing I came to find is that love can really
make you blind, Baby, do you mind
The only thing I came to find is that love can really
make you blind, Baby, do you mind
Baby, do you mind me saying so...
