(Harold Arlen/Johnny Mercer)
This will be my shining hour
Calm and happy and bright
And in my dreams, your face will flower
Through the darkness of the night
Like the lights of home, before me
Or that angel, who's watching o'er me
This will be my shining hour
'Til I'm with you again
This will be my shining hour
Calm and happy and bright
And in my dreams, your face will flower
Through the darkness of the night
Like the lights of home, before me
Or that tiny angel, who's watching o'er me
This will be my shining hour
'Til I'm with you again
I say now...
This will be my shining hour
'Til I'm with you again
