Nothing ever moved me...

Once again you demand of me to listen

but my dear, I don't hear anything new

You say, baby this concerns our existence

but your one and only topic is you

You explain to me over and over

that all good things must come to an end

That no matter what happens

we could still be good friends

but I won't ease your conscience, I won't set you free

this is no mutual agreement you see,

'cause

Nothing ever moved me this way

nothing ever filled me up like you did

Nothing ever moved me this way

no one ever touched my heart (soul) like you did,

baby like you did

Well I know I can't do much to stop you

If you're determined to leave me you will.

It'll make no big difference what I do

you'll soon be driving away up that hill

I don't care if you take my belonging

Take my heart - here -it's yours to keep

You may even take my joy, and yes, I may weep

But I won't give you my blessings, I won't set you free

this is no mutual agreement you see,

'cause

Nothing ever moved me...

solo

Nothing ever moved me...
