Yo yo dude
Let me tell ya a song
Yo it's dead dead good
You'll all love it

You are my mini-moto grandad
Yes you are and you rock and roll
You may not be the best on the drums but when it
comes to driving mini-motos
Well lets just say
YOU'RE WICKED

Yo yo dude
That's one part of the song the next part's about
My gandad who drove around town singing

Well yo yo dude I'm a mini-moto grandad
I'm driving round the world
Singing to "Summer of '69" (He ain't that good, dude"
But when it comes to driving mini-motos
Well lets just say
YOU'RE WICKED

So there is ma story about a mini-moto driving grandad
I hope ya all liked it

(Spoken)
Respect the little kid dude like.
