I'm pissed off at you all right,
I'm gonna fuck you up.
I'm gonna kick your ass tonight,
I'm gonna fuck you up.
You been talking shit to me,
Now I'm gonna fuck you up.
In a lot of pain you're gonna be,
Once I fuck you up.

Well, I'm gonna fuck you up,
If it's the last thing I do.
I'll beat your head with a bat
Until it's bloody and black and blue.
Stomp your stupid ass and throw you
Right back down in the gutter.

Mother fucker one way or another,
I'm gonna fuck you up.

Well I don't play nobody's games,
I'm gonna fuck you up.
I heard you call my girl a name,
Now I'm gonna fuck you up.
I'll turn your face into a wreck,
Well I'm gonna fuck you up.
Rip off your head, shit down your neck,
I'm gonna fuck you up.

Well, I'm gonna fuck you up
If it's the last thing I do.
I'll beat your head with a bat
Until it's bloody and black and blue.
Stomp your stupid ass and throw you right
Back down in the gutter.
Mother fucker one way or another
I'm gonna fuck you up.

Now don't you even try to run,
Cuz I'm gonna fuck you up.
I got a shotgun hangin in my truck
That'll fuck you up.
I'll have some fun, blow off your head

I'm gonna fuck you up.
You better plan on bein dead
Cuz I'm gonna fuck you up.

Well I'm gonna fuck you up
If it's the last thing I do.
I'll beat your head with a bat
Until it's bloody and black and blue.
Stomp your stupid ass and
Throw you right back down in the gutter.
Mother fucker one way or another I'm gonna fuck you
up
You'll wish you never fucked with me
Cuz I'm gonna fuck you up.
