Every now and then I get so sad
Cause I miss you since you left me
I'm so disconnected from my life
Sometimes I can't stand the morning light
Cause I miss you since you left me
I'm just a reflection of your heart

In the middle of this night
I want you back
I really need ya...

[Chorus:]
(Give me love, give me shelter) Save my soul from this
loneliness
(Give me love, give me shelter) Save me now cause I'm
falling down
(Give me love, give me shelter) Save my life from this
emptiness
(Give me love, give me shelter) Save me now, cause
I'm falling down

There's a lot of things behind my smile
Cause I miss you since you left me
Every day I'm trying to survive
Sometimes I can't stand the morning light
Cause I miss you since you left me
I'm just a reflection of your heart

In the middle of this night
I want you back
I really need ya...

[Chorus: 2x]
(Give me love, give me shelter) Save my soul from this
loneliness
(Give me love, give me shelter) Save me now cause I'm
falling down
(Give me love, give me shelter) Save my life from this
emptiness
(Give me love, give me shelter) Save me now, cause
I'm falling down

Ohh, ohh
Ohh, ohh
Ohh
