I am locked, in a personal reality  
I am a dirty boy, and I want to be clean  
So I bleed in a ritual, for the goat  
And through the razor blades embrace, now I slit my  
throat  
And I choke, as the blood begins to gurgle out my  
mouth  
I want to be dominated, so I'm never getting out  
I should be beaten in a cage with no permission to  
speak  
Kept on a collar with my mistress slowly tugging at my  
leash  
Keep me deceased, publicly humiliate my strength  
Punish me within this chamber beat me when I beat my  
meat  
I am a slave, and I've found a way to live within this  
bliss  
All I needed in my life, was a little more of this

B (Bondage, Hooks and Chains)  
D (Dominance, not refrained)  
S (Come doggy play my game)  
M (Mistress inflict my pain)

(repeat x2)

I pull the trigger, and I wake up on my knees  
I'm surrounded by this torture and I do not know whats  
happening  
In front of me, I see a demoness  
I'll give you endless pleasure and I'll take away your  
breath  
I have no life left, but I'm dominated endlessly  
I give my body to my mistress and I kiss upon her feet

It's not enough, so I struggle to the rack  
As these hooks and chains, slowly peirce across my  
back  
So now I'm back, in my former position  
My mistress takes the dulllest needle and makes  
millions of incisions  
And my life is now severed in this pain that's so

uplifting  
Where I am a slave forever and I make no more  
decisions

B (Bondage, Hooks and Chains)  
D (Dominance, not refrained)  
S (Come doggy play my game)  
M (Mistress inflict my pain)

(repeat x2)

This is all I've ever really wanted so it's what I've got  
This pain is burning forever inside me so It's what I  
want  
Every infliction upon my body gives me pain  
With every tear that I cry, makes this blood begin to  
rain  
There's no mercy to my flesh, as she takes the razor  
blade  
And with her wicked smile begins to cut through all the  
major veins  
It's the same  
It's the pain  
It's an endless endeavour, I wouldn't have it any other  
way.

B (Bondage, Hooks and Chains)  
D (Dominance, not refrained)  
S (Come doggy play my game)  
M (Mistress inflict my pain)

(repeat x2)
